

### Why Insure Your K-12 Devices?

- 1 Considerable cost savings**  
Insurance saves your school district's budget from **unexpected device repairs and replacements!**

- 2 Keeps devices in the hands of students**  
**Don't get stuck with broken devices and no funds to fix them!** Insurance guarantees a student isn't without their laptop!

- 3 Protects your district's EduTech investment**  
School-provided laptops and tablets are valuable. Insure them, so you don't lose out when mishaps happen.

- 4 Save time and hassle**  
**Self-repair programs** take staff and resources to buy parts and manage repairs. **Insurance does the work for your school!**

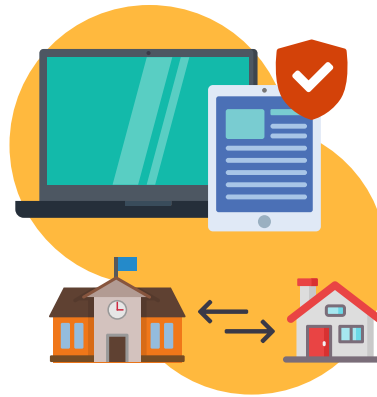

- 5 Get devices back faster**  
We provide **claim approval in 1-2 business days, and overnight shipping is standard on repairs!**

- 6 Save parents from unexpected expenses**  
You won't have to charge fees to parents for damages!

- 7 Teachers can focus on educating**  
Free your staff from the time and worry of dealing with damaged tech. We'll ensure that students have devices for their classwork.
